

## Tower Gate Capital - Latest News

Tower Gate Capital is pleased to advise that one of their appointed representatives, Kaleidoscope Capital Limited, has raised in excess of USD 20 million of capital for their new offering.

Recently founded by Davide Alfano, Kaleidoscope Capital provides innovative investment solutions tailored to the current low yields market environment, through a disciplined, rigorous but nimble investment approach.

Tower Gate Capital are proud to form the regulatory and capital introduction part of the team of service providers assisting Kaleidoscope Capital in this new venture. Bobby Console-Verma, Group CEO of Tower Gate Capital, will join the advisory board of Kaleidoscope Capital.

Kaleidoscope Capital will act as investment advisor of Pharus Best Global Managers, a fund with assets in excess of USD 20 million of the Luxemburg regulated platform Pharus SICAV. The fund will be now managed through the advisory of Kaleidoscope Capital in partnership with Frame Asset Management, an independent Swiss Wealth Manager with over CHF 1 billion under advisory, acting as investment advisor of Pharus Best Global Managers since its inception.

Michele de Michelis, CIO of Frame Asset Management, and Peter Litvin, Managing Partner of Fortress Partners Consultancy, will join the advisory board of Kaleidoscope Capital along with Bobby Console-Verma.

### **Key points of the offering**

- Multi-manager and multi-asset fund investing in UCITS underlying securities.
- Focus on alpha creation through absolute return and niche investment strategies.
- Liquid and competitively priced investment offering with weekly liquidity (soon daily), no lock-up, low minimum investment, no up-front fees.
- Expected returns of Libor +300 bps with no leverage, low volatility and strong downside protection. The fund provides an ideal complimentary alternative to cash or bonds as well as other low risk investments.
- Focus on wealth preservation and innovation. Davide has a 15 year track-record outperforming markets, especially during periods of dislocation, thanks to an holistic investment approach enhanced by a proprietary risk management framework.
